

## LITTLE GOOD HARBOUR

*Barbados • West Indies*

### Quarantine Regulations at Little Good Harbour

#### **VACCINATED GUESTS (GREEN WRISTBAND)**

##### Prior to Arrival

You may send through a grocery list up to 72 hours before arrival and the items will be placed in your suite prior to check-in. The first grocery order delivery is complimentary, and any additional orders or orders received less than 72 hours prior to arrival will be subject to a \$25 USD delivery fee. Grocery orders must be a minimum of \$50 USD to be accepted by the supermarket.

We also highly recommend using Fast Track for your arrival into Barbados as this allows you to exit the airport within an hour of landing. Without this service, many guests exit the airport two hours after landing. Please contact us to book this service which is \$65 USD per person aged 12 and over. Under 12 is free of cost. This service must be booked at least 48 hours prior to arrival.

Please review [www.barbadostravelprotocols.com](http://www.barbadostravelprotocols.com) for the latest protocols prior to departure to Barbados.

##### Airport Transfer

This can be facilitated by our driver who has been trained in COVID-19 Protocols. These transfers start at \$75 USD. At present, all arriving passengers have the option to either take a taxi from the airport OR collect a rental car and make your way to the hotel. Please contact us to arrange either option.

##### Arrival at Little Good Harbour

Guests will be taken to their suite where they will be greeted by one of our managers.

Guests will be required to wear a face mask, have their hands sanitised and their temperature taken. Luggage will be sanitised before staff take it to the suite. Check-in formalities will be conducted in the suite where guests will be reminded of the regulations in place.

##### Movement on Property

Vaccinated guests are no longer required to quarantine on arrival unless advised to do so by the Ministry of Health and Wellness. As such, you are free to immediately begin your holiday in Barbados.

##### Housekeeping

Housekeeping service will be provided daily. Our housekeeping staff will be adorned with PPE and it is preferred that suites be vacant when housekeeping is conducting their service.

### Dining

Vaccinated guests can dine in the restaurant at any time. Room service is also available for breakfast, lunch and dinner. Orders must be placed at the beginning of service.

### Communication with Front Desk

Any queries a guest may have can be done by using the room phone located in their kitchen. Please dial 4104, 4105 or 4107.

### Arrangements for Departure COVID-19 Tests

We can arrange a private test done in your suite starting from \$125 USD per person (Rapid Antigen) and \$175 USD per person (PCR). Rapid Antigen Tests are accepted in many countries including the United States and United Kingdom. However, only PCR Tests are accepted for entry to Canada.

### Ministry of Health and Wellness' Covid-19 Unit

Any queries on missing or delayed COVID-19 test results done on the island can be emailed to [covidtest.results@health.gov.bb](mailto:covidtest.results@health.gov.bb) and the unit can be reached on local telephone at 1-246-536-4500. This hotline is staffed by public health officers 24 hours a day.

Thank you for choosing Little Good Harbour for your holiday. Take care and stay safe.

Kind Regards,  
The Little Good Harbour Team

## LITTLE GOOD HARBOUR

*Barbados • West Indies*

### Quarantine Regulations at Little Good Harbour

#### **UNVACCINATED GUESTS (RED WRISTBAND + GPS BRACELET)**

##### Prior to Arrival

You may send through a grocery list up to 72 hours before arrival and the items will be placed in your suite prior to check-in. The first grocery order delivery is complimentary, and any additional orders or orders received less than 72 hours prior to arrival will be subject to a \$25 USD delivery fee. Grocery orders must be a minimum of \$50 USD to be accepted by the supermarket.

We also highly recommend using Fast Track for your arrival into Barbados as this allows you to exit the airport within an hour of landing. Without this service, many guests exit the airport two to three hours after landing. Please contact us to book this service which is \$65 USD per person aged 12 and over. Under 12 is free of cost. This service must be booked at least 48 hours prior to arrival.

Please review [www.barbadostravelprotocols.com](http://www.barbadostravelprotocols.com) for the latest protocols prior to departure to Barbados.

##### Airport Transfer

These can be arranged by our office with authorised drivers who have been trained in COVID-19 Protocols. The cost of an airport transfer is \$75 USD one-way for two persons with standard luggage. These drivers are required to transport travellers directly to the hotel and no intermediate stops are permitted.

##### Arrival at Little Good Harbour

Guests will be taken directly to their suite where they will be greeted by one of our managers. Guests will be required to wear a face mask, have their hands sanitised and their temperature taken. Luggage will need to be sanitised before staff take it to the suite. Check-in formalities will be conducted in the suite where guests will be reminded of the regulations in place until their second negative result is returned.

##### Movement on Property

Guests in quarantine are not able to move around the property. This is especially important as you will be outfitted with an electronic monitoring bracelet at the airport which will set off an alarm should you tamper with it or attempt to leave your suite. As mandated by the Ministry of Health and Wellness, access to the reception area, the beach and swimming pools is NOT permitted until after the 2nd negative test is returned. Access to the Fish Pot Restaurant is also not permitted. However, meals can be ordered from the restaurant and delivered to guest suites during regular restaurant opening hours. Guests are also NOT allowed to leave the property, unless doing so in a COVID-19 certified taxi, for the sole purpose of receiving a COVID-19 test at a local testing location.

#### Housekeeping

The suite will be prepared with sufficient towels, bathroom amenities, tea and coffee for the first five days. Should a guest require additional supplies, they will be left by the front door to the suite. Once a second negative test is returned, housekeeping will then commence daily. Our housekeeping staff will be adorned with PPE and it is preferred that suites be vacant when housekeeping is conducting their daily service.

#### Dining

All dining will be done on the suite patios or inside until the return of a second negative test. Room service is available for breakfast, lunch and dinner. Orders must be placed at the beginning of service.

#### Communication with Front Desk

Any queries a guest may have can be done by using the room phone located in their kitchen. Please dial 4104, 4105 or 4107.

#### Arrangements for Second RT-PCR Test

We can arrange a private test done in your suite starting from \$175 USD per person. This second RT-PCR test can only be done five days after arrival into Barbados. This advice changes regularly due to the fluidity of the situation at hand. Test results normally return in 24-48 hours.

#### Ministry of Health and Wellness' Covid-19 Unit

Any queries on missing or delayed COVID-19 test results done on the island can be emailed to [covidtest.results@health.gov.bb](mailto:covidtest.results@health.gov.bb) and the unit can be reached on local telephone at 1-246-536-4500. This hotline is staffed by public health officers 24 hours a day.

Thank you for choosing Little Good Harbour for your holiday. Take care and stay safe.

Kind Regards,  
The Little Good Harbour Team
