## Quarantine Regulations at Little Good Harbour

### **VACCINATED GUESTS (GREEN WRISTBAND)**

#### Prior to Arrival

You may send through a grocery list up to 72 hours before arrival and the items will be placed in your suite prior to check-in. The first grocery order delivery is complimentary, and any additional orders or orders received less than 72 hours prior to arrival will be subject to a \$25 USD delivery fee. Grocery orders must be a minimum of \$50 USD to be accepted by the supermarket.

We also highly recommend using Fast Track for your arrival into Barbados as this allows you to exit the airport within an hour of landing. Without this service, many guests exit the airport two to three hours after landing. Please contact us to book this service which is \$60 USD per person aged 12 and over. Under 12 is free of cost. This service must be booked at least 48 hours prior to arrival.

Please review [www.barbadostravelprotocols.com](http://www.barbadostravelprotocols.com) for the latest protocols prior to departure to Barbados.

#### Airport Transfer

These can be arranged by our office with authorised drivers who have been trained in COVID-19 Protocols. The cost of an airport transfer is \$75 USD one-way for two persons with standard luggage. These drivers are required to transport travellers directly to the hotel and no intermediate stops are permitted.

#### Arrival at Little Good Harbour

Guests will be taken directly to their suite where they will be greeted by one of our managers. Guests will be required to wear a face mask, have their hands sanitised and their temperature taken. Luggage will need to be sanitised before staff take it to the suite. Check-in formalities will be conducted in the suite where guests will be reminded of the regulations in place until their negative result is returned.

### Movement on Property

Vaccinated guests in quarantine are able to move around the property. Vaccinated guests can use our Fish Pot Restaurant and either swimming pool. Vaccinated guests cannot use the beach nor have any in room services until they receive their negative result from the PCR test done on arrival in Barbados.

### Housekeeping

The suite will be prepared with sufficient towels, bathroom amenities, tea and coffee for the first two days. Should a guest require additional supplies, they will be left by the front door to the suite. Once a second negative test is returned, housekeeping will then commence daily. Our housekeeping staff will be adorned with PPE and it is preferred that suites be vacant when housekeeping is conducting their daily service.

### Dining

Dining can be done in the Fish Pot Restaurant, or on the suite patios or inside the suite until the return of a second negative test. Room service is also available for breakfast, lunch and dinner. Orders must be placed at the beginning of service.

### Communication with Front Desk

Any queries a guest may have can be done by using the room phone located in their kitchen. Please dial 4104 or 4107.

### Ministry of Health and Wellness' Covid-19 Unit

Any queries on missing or delayed PCR or Rapid PCR test results done at the airport can be emailed to [covidtest.results@health.gov.bb](mailto:covidtest.results@health.gov.bb) and the unit can be reached on local telephone at 1-246-536-4500. This hotline is staffed by public health officers 24 hours a day.

Thank you for choosing Little Good Harbour for your holiday. Take care and stay safe

Kind Regards,

The Little Good Harbour Team

### Movement on Property

Guests in quarantine are not able to move around the property. This is especially important as you will be outfitted with an electronic monitoring bracelet at the airport which will set off an alarm should you tamper with it or attempt to leave your suite. As mandated by the Ministry of Health and Wellness, access to the reception area, the beach and swimming pools is NOT permitted until after the 2nd negative test is returned. Access to the Fish Pot Restaurant is also not permitted. However, meals can be ordered from the restaurant and delivered to guest suites during regular restaurant opening hours. Guests are also NOT allowed to leave the property, unless doing so in a COVID-19 certified taxi, for the sole purpose of receiving a COVID-19 test at a local testing location.

### Housekeeping

The suite will be prepared with sufficient towels, bathroom amenities, tea and coffee for the first five days. Should a guest require additional supplies, they will be left by the front door to the suite. Once a second negative test is returned, housekeeping will then commence daily. Our housekeeping staff will be adorned with PPE and it is preferred that suites be vacant when housekeeping is conducting their daily service.

### Arrangements for Second RT-PCR Test

We can arrange a private test done in your suite starting from \$150 USD per person. This second RT-PCR test can only be done five days after arrival into Barbados. This advice changes regularly due to the fluidity of the situation at hand. Test results normally return in 24-48 hours.

### Ministry of Health and Wellness' Covid-19 Unit

Any queries on missing or delayed PCR or Rapid PCR test results done at the airport can be emailed to [covidtest.results@health.gov.bb](mailto:covidtest.results@health.gov.bb) and the unit can be reached on local telephone at 1-246-536-4500.
