

## LITTLE GOOD HARBOUR

*Shermans, St. Lucy, Barbados • West Indies*

### Quarantine Regulations at Little Good Harbour

#### **Prior to Arrival**

You may send through a grocery list up to 72 hours before arrival and the items will be placed in your suite prior to check-in. A family style dinner menu will also be sent to guests should they wish the restaurant to prepare any dinners for them. These will be placed in the refrigerator and can be reheated when required. Where possible, room registration forms will be emailed to guests to be completed and returned prior to arrival.

#### **Airport Transfer**

These will be facilitated by the Authorised Airport Taxis at the airport who have been trained in COVID-19 Protocols. These drivers are required to transport travellers directly to their hotel. No intermediate stops are permitted.

#### **Arrival at Little Good Harbour**

Guests will be taken directly to their suite where they will be greeted by one of our managers. Guests will be required to wear a face mask, have their hands sanitized and their temperature taken. Luggage will need to be sanitised before staff take it up to the bedroom. Check in formalities will be conducted in the suite where guests will be reminded of the regulations in place until their second negative result is returned.

#### **Movement on Property**

Guests under quarantine are able to maintain very limited movement around the property, while wearing a face mask and maintaining social distancing at all times. As mandated by the Ministry of Health and Wellness, access to the beach and swimming pools is not permitted until after the 2nd negative test is returned. Access to the Fish Pot Restaurant is also not permitted. However, meals can be ordered from the restaurant and delivered to guest suites during regular restaurant opening hours.

#### **Housekeeping**

The suite will be prepared with sufficient towels, bathroom amenities, tea and coffee for the first three days. Should a guest require additional supplies, they will be left by the front door to the suite. Once a second negative test is returned, housekeeping will commence daily. Our housekeeping staff will be adorned with PPE and it is preferred that suites be vacant when housekeeping is conducting their daily service.

#### **Dining**

All dining will be done on the suite patios or inside until the return of a second negative test.

#### **Communication with Front Desk**

Any queries a guest may have can be done by using the room phone located in their kitchen.

#### **Arrangements for Second Test**

You can call the Barbados COVID-19 Hotline from your suite telephone at 536-4500 to arrange your second test once you arrive. They will advise you of the present options available to you. Alternatively, we can book you a private test, done in your suite starting from \$150 USD with a faster turnaround time. This advice changes regularly due to the fluidity of the situation at hand. Test results normally return in 24 hours.

Thank you for choosing Little Good Harbour for your holiday. Take care and stay safe

Kind Regards,  
The Little Good Harbour Team
